By joining our monthly learning zone you gain access to one (one hour) verifiable CPD and one (one hour) non-verifiable CPD per month. On the first day of every month the articles are changed so you can look forward to new information in your learning zone.

The Learning Zone includes:

One Core or Highly recommended Verifiable CPD Per Month;
One Non-Verifiable CPD Per Month;

We will send you an email at the start of the month and one week before the end of the month to remind you to login to complete your CPD.

You must make sure you complete the CPD before it changes. You will always have access to your certificates even when you terminate your account.

Set-up a direct debit with Dental Nurse Network Ltd to gain access. You can cancel your direct debit at any time.

To join-up you simply complete the form below. We will send you an email asking you to set up a direct debit online (easy as 123). Should you choose to cancel your direct debit, Dental Nurse Network will be notified and access to the Learning Zone will terminate.
